## Motorists' Uninsured Loss Recovery (ULR)

Sometimes motor insurance doesn't provide full cover when motorists need it most. When faced with financial losses as a result of an accident that wasn't their fault, FirstAssist's Uninsured Loss Recovery legal expenses insurance can fill that gap.

ULR provides your customers with cover that gives them access to advice and allows them to pursue claims for damages following death or bodily injury, the recovery of excess payments and other potential additional costs such as car hire charges, damage to the vehicle and / or personal belongings.
